

Sayyid Ammar al-Hakim with union leaders to discuss demands of demonstrators and ways to support them

Head of the Al-Hikma National Movement, Sayyid Ammar al-Hakim, in his office in Baghdad met with a gathering of organizing leaders of unions associated with the Al-Hikma National Movement 23/11/2019

His eminence discussed demands of the demonstrators and ongoing demonstrations, and renewed his support to the rightful demands and the necessity of answering the demands on the specified time period.

His eminence stressed on the necessity of prioritizing and according to the concerned authorities. And emphasized on laws that achieve social justice and eliminate social strata, indicated that the Al-Hikma National Movement already attempted to pave the way for processing legislations that answer the demands.

Regarding demonstrations outcomes, his eminence emphasized that one of demonstrations pros is motivating the youth generation fighting for a cause they work for, and reiterated his demand to expose who caused the blood shed among demonstrators and security forces and fighting corruption through attacking corruption kingpins.
